EXPLANATORY STATEMENT

[Pursuant to Section 102 of the Companies Act, 2013]

In conformity with the provisions of Sections 102 and 110 of the Companies Act, 2013 ('the Act'), the Secretarial Standard- 2 on General Meetings issued by the Institute of Company Secretaries of India and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as amended, the following Explanatory Statement setting out all material facts relating to the business mentioned at Item No. 1 to 7 of the accompanying Notice dated Friday 06, 2026 should be taken as forming part of this Notice.

ITEM NO.: 1

1. Background

The Company issued its Prospectus dated August 01, 2023 ("Prospectus") for its Initial Public Offering of 74,00,000 equity shares of face value Rs. 10/- each at Rs. 61/- per equity share (including a share premium of Rs. 51/- per equity share), aggregating to Rs. 4,514.00 lakhs ("IPO Proceeds") ("IPO" / "Issue"). The equity shares of the Company are listed on the EMERGE Platform of the National Stock Exchange of India Limited ("NSE EMERGE"). As disclosed in the chapter "Objects of the Issue" of the Prospectus, the IPO Proceeds were to be utilised towards: (a) Construction of Factory Shed; (b) Purchase of Machineries; (c) Commissioning of Solar Power Plant; (d) Meeting Working Capital Requirements; (e) General Corporate Purposes; and (f) Public Issue Related Expenses.

2. Status of Utilisation and Extent of Achievement of Objects

As on September 30, 2026, the Company has utilised Rs. 4,452.94 lakhs out of the IPO Proceeds of Rs. 4,514.00 lakhs. Out of the Rs. 489.70 lakhs earmarked for "Commissioning of Solar Power Plant", the Company has paid Rs. 428.64 lakhs to the vendor, Prozeal Green Energy Limited, and the balance Rs. 61.06 lakhs remain unutilised. The project has since been cancelled and the amount of Rs. 428.64 lakhs is refundable by Prozeal Green Energy Limited and is yet to be received as on date. Upon receipt of the refund, the entire Rs. 489.70 lakhs (approximately 10.85% of the IPO Proceeds) will be available for deployment, and the extent of achievement of the said object will stand revised to Nil.

3. Proposed Variation and Reasons / Justification

The Company had proposed to commission a solar power plant at its manufacturing facility to reduce its dependence on grid power. The project has been cancelled by the vendor on account of connectivity issues at the GETCO (Gujarat Energy Transmission Corporation Limited) substation for power evacuation, a factor beyond the Company's control.

The Board of Directors ("Board"), on the recommendation of the Audit Committee, at its meeting held on November 06, 2026, has approved, subject to the approval of the members, the variation of the entire amount of Rs. 489.70 lakhs (comprising the refundable Rs. 428.64 lakhs and the unutilised balance of Rs. 61.06 lakhs) towards a new object, "Purchase of Plant and Machinery" (Rs. 350.00 lakhs), which was not disclosed in the Prospectus, and towards the existing object "To Meet Working Capital Requirements" (Rs. 139.70 lakhs). To ensure that the IPO Proceeds are not left idle, the Board considers that deploying Rs. 350.00 lakhs towards plant and machinery for the manufacturing facility will directly enhance production capacity and operational efficiency, that the balance towards working capital will support the Company's operations, and that the same is in the best interest of the Company and its shareholders. There is no change in the overall quantum of the IPO Proceeds. The object-wise position and the proposed variation are as under:

(Amt in Lakhs)

Upon receipt of the refund, the amount actually utilised for the said object will stand revised to Nil and the entire amount of Rs. 489.70 lakhs will become available for deployment towards the new object and working capital requirements.*

4. Clause-wise Details of the New Object

In terms of sub-rule (3) of Rule 3 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, the details of the new object, "Purchase of Plant and Machinery", are as under:

(i) Nature and purpose of the object: The Company proposes to purchase one TG1300 Hot Melt Coating and Laminating Machine, from Quanzhou Jialin Supply Chain Management Co., Ltd., from whom the Company has also received a quotation. The machine applies pressure-sensitive adhesive (PSA) on fabric by hot-melt slot-die coating and laminates it with another face material. It will be installed at the Company's existing manufacturing facility at Dholka, Ahmedabad, Gujarat, to augment production capacity and improve operational efficiency.

(ii) Cost of the object: Rs. 350.00 lakhs (Rs. 3.50 crore), being the cost of the proposed plant and machinery, to be met out of the amount reallocated from the object "Commissioning of Solar Power Plant". The remaining balance of Rs. 139.70 lakhs (out of the said Rs. 489.70 lakhs) is proposed to be allocated towards the existing object "To Meet Working Capital Requirements";

(iii) Means of financing: Entirely out of the IPO Proceeds reallocated pursuant to this variation; no additional or external funding (debt or equity) is proposed to be raised for this purpose;

(iv) Appraisal: The object has not been appraised by any bank, financial institution or other independent agency, as was the case with the original object "Commissioning of Solar Power Plant";

(v) Schedule of implementation: Delivery is expected within about 110 days from the order and advance payment, followed by installation and commissioning, within the time limit stated in paragraph 5 below.

5. Proposed Time Limit for Achievement of the New Object

The Company proposes to utilise Rs. 350.00 lakhs towards the new object, and the balance Rs. 139.70 lakhs towards working capital requirements, within 12 (twelve) months from the date of passing of this Special Resolution, subject to such extension of time as the Board may consider necessary having regard to prevailing business conditions.

6. Risk Factors Pertaining to the New Object

(i) Delay in supply or delivery of the machine could delay deployment of the reallocated funds;

(ii) The machine is imported, and its delivery, installation and commissioning may be delayed by logistics, customs or other factors beyond the Company's control;

(iii) A part of the payment is made in advance, exposing the Company to the risk of non-performance or delay by the vendor;

(iv) The anticipated benefits of enhanced production capacity and operational efficiency are based on the Company's current assessment and may not materialise to the extent presently envisaged; and

(v) Any delay in receipt of the refund of Rs. 428.64 lakhs from Prozeal Green Energy Limited, the vendor of the solar power plant project could delay the deployment of the reallocated funds.

7. Statutory and Regulatory Compliance

In terms of Sections 13(8) and 27 of the Companies Act, 2013 ("Act") read with Rule 7 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, the objects for which the Prospectus was issued may be varied only with the approval of the members by a special resolution passed through postal ballot. Accordingly, the resolution is being passed by way of Postal Ballot, including remote e-voting, in terms of Section 110 of the Act read with Rule 22 of the Companies (Management and Administration) Rules, 2014. The advertisement in Form PAS-1 is being published simultaneously with the dispatch of the Postal Ballot Notice in the Ahmedabad edition of Financial Express (English and Gujarati). The Company confirms that, in terms of the second proviso to Section 27(1) of the Act, no part of the IPO Proceeds has been or will be utilised for buying, trading or otherwise dealing in equity shares of any other listed company.

The variation has been reviewed by the Audit Committee and approved by the Board. In compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company shall make the requisite disclosures of the Board's decision and the postal ballot outcome to NSE under Regulation 30 read with Schedule III, and shall continue to submit the statement of deviation or variation in utilisation of the IPO Proceeds under Regulation 32, duly reviewed by the Audit Committee, until the IPO Proceeds are fully utilised.

As regards the exit offer under Sections 13 and 27 of the Act read with Regulation 281A and Schedule XX of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR Regulations"), only about 11% (10.85%) of the IPO Proceeds is proposed to be varied, which is below the 25% threshold prescribed in Schedule XX. Hence, the exit offer obligation under Regulation 59 read with Schedule XX of the SEBI ICDR Regulations does not apply.

8. Inspection and Availability of Notice

A copy of the notice of the resolution is available on the website of the Company at https://www.shritechtex.com/ and on the website of NSE. The Prospectus and other relevant documents are available for inspection by the members at the registered office of the Company during business hours on working days up to the last date of e-voting.

9. Interest of Directors and Recommendation

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 1 of the Notice, except to the extent of their respective shareholding, if any, in the Company.

Based on the reasons and justification stated in paragraph 3 above, the Board recommends the Special Resolution set out at Item No. 1 of the Notice for approval of the members.

ITEM NO.: 2-7

Pursuant to the provisions of the Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("Listing Regulations"), as amended, prior approval of shareholders is required to be obtained by means of an Ordinary Resolution for all material related party transaction(s), if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) the thresholds specified in Schedule XII of the Listing Regulations, even if such transactions are in the ordinary course of business of the Company and on an arm's length basis.

The amended Regulation 2 (1) (zc) of the Listing Regulations has also widened the definition of "related party transaction" to include, inter alia, a transaction involving a transfer of resources, services or

obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Further, SEBI vide its Circular Nos. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/135 dated October 13, 2025 has introduced the Industry Standards on "Minimum information to be provided for review of the Audit Committee and shareholders for approval of a related party transaction" ("Standards") to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the Listing Regulations read with the SEBI Master Circular no. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 ("SEBI Circular"). The Standards inter alia requires listed entity to provide minimum information, in specified format, pertaining to the proposed Related Party Transaction(s) ("RPT"), to the Audit Committee and to the shareholders, while seeking approval.

It is in the above context that, Resolution No(s). 2 to 7 are placed for approval of the Members of Shri Techtex Limited ("Company") along with necessary details on the proposed RPTs provided in this Statement.

Various transactions are proposed to be entered by and among the Company and their related parties, in the form of making investment, providing loans, sale and/or purchase of goods and/or services, providing security, various guarantee (including corporate guarantee and performance guarantee in nature of security/contractual commitment), surety, indemnity or comfort letter, by whatever name called, which will enable the Company and their related parties for the effective operations or bridging working capital gaps.

The aggregate of such RPTs for each of the Item No. 2 to 7 is likely to cross the applicable materiality thresholds as provided in Regulation 23 of the Listing Regulations. Accordingly, as per the Listing Regulations, prior approval of the Members is being sought for all such RPTs proposed to be undertaken by and among the Company and their related parties, considering the best interest of the Company. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis.

The Audit Committee at its meeting held on November 06, 2026, has, on the basis of a thorough scrutiny of relevant details / documents provided by the Management and also of the mandatory disclosure which is required to be made to the Audit Committee in accordance with the Industry Standards on "Minimum Information to be provided to the Audit Committee and Shareholders for Approval of Related Party Transactions", reviewed and approved the said transaction(s), and recommended the same to the Board of Directors, subject to the approval of the Members, while noting that such transaction(s) shall be on arms' length basis and in the ordinary course of business of the Company. The Minimum Information as required under the said Standards is enclosed herewith as **ANNEXURE-I.**

Further, while approving the RPTs, the Audit Committee has reviewed the certificates provided by the Managing Director ("MD") and Chief Financial Officer ("CFO") of the Company as required under the Standards on RPT confirming that the terms of the proposed RPTs to be undertaken are in the interest of the Company and has also determined that the promoters will not benefit from the proposed RPTs at the expense of public shareholders. These RPTs were also placed before the Board of Directors on a voluntary basis and the same were approved by the Board.

For the purpose of calculating the total amount of proposed RPTs (as provided in resolution(s) under Item No. 2 to 7) as a percentage of annual turnover of the company and/or annual turnover of the related party (as applicable) as of the immediately preceding financial year, we have considered FY 2025-26 as the 'preceding financial year'.

Members may note that in terms of the provisions of the Listing Regulations, the related parties as defined thereunder (whether such related party(ies) are a party to the aforesaid transactions or not), shall not vote in respect of Resolutions under Item No. 2 to 7.

Except as mentioned hereinbelow, none of the Directors and Key Managerial Personnel of the Company and/or their respective relatives are, in any way, concerned or interested either directly or indirectly, financially or otherwise in the Resolution set out at Item No. 2 to 7 of the accompanying Postal Ballot Notice.

The Board of Directors recommends the Ordinary Resolutions set out at Item No. 2 to 7 of the accompanying Postal Ballot Notice for approval by the Members.
