

SHRI TECHTEX LIMITED

POLICY ON CORPORATE SOCIAL RESPONSIBILITY

BACKGROUND

As an integral part of our commitment to Good Corporate Citizenship, we at Shri Techtex Limited ("the Company") believe in actively assisting in the improvement of the quality of life of the people in the communities, giving preference to local areas around our business operations. We shall continue to relentlessly strive in our endeavor of nation-building, sustainable development, accelerated inclusive growth and social equity. CSR activities have been undertaken for the benefit of society in the form of providing help to the underprivileged. It is recognized that integrating social, environmental, and ethical responsibilities into the governance of businesses ensures long-term success, competitiveness, and sustainability. Though there is no specific definition of CSR, it is the responsibility of the corporate entity towards the society in consideration of the support given by the society. CSR at the Company shall be underpinned by 'More from Less for More' philosophy which implies striving to achieve greater impacts, outcomes and outputs from our CSR projects and programmes by judicious investment and utilization of financial and human resources, engaging in like-minded stakeholder partnerships for higher outreach benefitting more lives. We shall continue to nurture a vibrant culture of volunteering in our aspiration to leverage our core competencies and managerial, technological capabilities for CSR. We shall strive to bring innovation to our CSR initiatives and optimize their effectiveness while seeking to create a measurable impact of our CSR activities.

VISION STATEMENT

We recognize that our social, economic, and environmental responsibilities towards the stakeholders are essential and therefore, we aim to demonstrate these responsibilities through our actions and within our corporate policies. Dedicatedly we are inspiring lives by creating a healthier and happier society by using our internal proficiency in solving problems by actively participating in social and economic development and affiliating with external communities and agencies. It is the contribution for liberal causes like education, health, water, environment, and community welfare.

Through its CSR initiatives, company shall continue to enhance value creation in the society and in the community, in which it operates, through its services, conduct & initiatives, to promote sustained growth for the society and community, in fulfillment of its role as a Socially Responsible Corporate Citizen with environmental concern.
